**Equipment and fees**

We have worked out a deal with Inferno Online as our co-hosts. They will provide us with their brand new spacious facility to host the event and their gaming setups for the participating teams. The fee is 125 SEK per participating player. The fee covers all costs to participate and use their equipment. ***You may bring your own mouse, mousepad and keyboard.***

**What happens if a player/team is unable to play?**

If one of the players in a team is unable to play the team must find a substitute that meets the requirements to participate to continue the games. If they can not find an appropriate sub it will be deemed WO. If a team is unable to play the scheduled game will be deemed as WO.
